all the time, the bird was silent.  
the last time I saw it, the bird was silent  
and still, it was seen in the bushes, 8 ft  
from the ground and about 20 ft up a pool, 2 ft  
from the water. the bird was silent all the time.  
when the bird was seen in the bushes, 11 ft  
from the ground, it was silent all the time.  
at the last time I saw the bird, the bird was silent.
